We transform today's Learners into tomorrow's Leaders

Dear students and respected parents,

The DPWIS is the embodiment of a great heritage and legacy and it is the cumulative efforts of long line foresighted visionaries of enthusiastic and industrious management and other well wishers. I consider myself specially privileged to be a part and parcel of these legacy and to present this message to my dear students and respected parents. According to Mahatma Gandhi

"Education is an all round drawing out of the best in child and man-body, mind and spirit"

The DPWIS and its heritage give strong base roots and base and our highly experienced, dedicated team of staff members give wings to the fancies of our students. A committed and supportive management with world class sophisticated infrastructure of the school gives high confidence to the students to perform well in all spheres of life in their future. The facilities of the school, its ambiance and the conducive atmosphere of the school exhilarate the students to fly high in the sky of achievements.

I am immensely happy to appreciate all the highly co-operative parents in all the dynamisms of the school for the overall advancement of their wards.

We ensure the students scholastic and non-scholastic, emotional and physical growth along with intellectual excellence through various forms of learning methodology adopted by us.

DPWIS grooms young talents to be confident, articulate, enlighten and loving citizens, ready to take up the responsibilities that the nation demands from them. They develop not only moral and social values but also sympathy and empathy towards nature, respect for modern educational values, awareness of one's duties as a noble citizen of the motherland and the qualities of a good and confident leader.

Learning is not limited to schools and colleges only nor does it end with the conclusion of one's school education. It is indeed a lifelong process. This school is oriented to the total formation of a child and adaptations of various methods suiting the dynamics of changing world in order to achieve common goals and objectives. Your education at DPWIS moulds and cultivates ideal citizens to meet the hurdles in front of your life

May god the Almighty shower all His blessings upon you.

CO-SCHOLASTICS

Performing and Visual Arts is an integral component of the learning experience in our school that ensure inter-disciplinary learning which seamlessly incorporates academia into art. Art is actively integrated into all facets of study in school so that innate creativities are nurtured to give each child an outlet for self-expression

The School has an elaborate infrastructure with art and sculpture rooms, dance rooms, music rooms and indoor & outdoor stages that give ample opportunity and platform for every child to discover their interests and inclinations. Talented and competent teachers impart tutelage in all these areas and keep the children actively engaged in programmes through special assemblies, celebration of events and festivals and intra-school and inter-school competitions. Participation at competitive levels is given impetus so that students can aspire to seek entry at state and national levels in their respective event categories.

HYBRID LEARNING

A paradigm shift in pedagogy and methodology has come into play due to pandemic times which has made it incumbent on every educational institution to relook, review and revamp its existing educational process and systems to explore and innovate sustainable teaching-learning practices that has created a new learning platform of hybrid teaching where digital literacy is at the forefront to disseminate virtual education.

Hybrid learning has opened up vistas and avenues for teacher and pupil alike to explore information that satisfies curiosity and enquiry. The teacher hence becomes a facilitator who mentors the imbibing of independent conceptual understanding that ultimately leads to synthesis of knowledge and creativity.

DPWIS focuses on providing continual training, support and exposure to the staff for their professional development. The facilitators are enabled to update their skills, knowledge and competency through a host of workshops, webinars, training sessions and conferences regularly organized by the school. Regular intra and inter departmental interactions, reflections, learning experiences give direction to the teachers in developing innovative practices to approach and streamline their own learning and growth.
